Dear Rick,

Once again you have come through with flying colors. Your recent installation here at Answer National Inc, came in under the original estimate and was completed with almost no down time at all. Quick and painless!!!

Thank you for your professionalism and guidance. You are always there when we need you. I truly hope our 15 year relationship with you and your company continues for another 15 years and another 15 after that.

Sincerely,

Stephen Lunn

President
